

Group Member Names:

Points: /90

Directions: Use the following guidelines to create a PowerPoint about an Asian country and the food and meal practices of that country.

COUNTRY: _____

PowerPoint: (40 points)

- minimum of 10 slides (10 pts)
- 1st slide: title slide including name of class, group members, and country (6 pts)
- last slide: References slide including ALL sources used, including pictures (5 pts)
- minimum of 6 relevant pictures needed (the country, food, utensils, etc.) (12 pts)
- slides must be legible and easy to read (7 pts)

Information: (50 points)

- basic background/cultural information about the country
 - where located, population, type of government, interesting facts, etc.
 - 1 to 2 slides, help audience understand the country
- include the following:
 - common foods, spices, condiments, dishes and how made, etc.
 - Do they grow/raise their own food or have to import?
 - Do they make things homemade or buy processed?
 - common utensils and appliances used to prepare dishes
 - especially items not common in the U.S.
 - cooking practices: How do they prepare their meals?
 - Do the women do the cooking?
 - Is there a lot of ceremony to preparing meals?
 - Is cooking an individual or group practice?
 - eating/dining traditions (do they eat as a family, formally, etc.)
 - information about festivals, holidays, etc. relevant to food and cooking
 - table manners

CultureGrams is an excellent on-line resource, available from the school web page, electronic resources page
