

### Group Members

Points:            /50

**Purpose:** To identify visual cues in association with listening skills.

**Directions:** In small groups you will be creating a poster outlining the ABC's of good listening skills. You will only be given a limited amount of in-class time to work on this project, so you **MUST** stay on task. Keep in mind you will be getting points for this assignment.

**What you need to do: (read the following directs and follow them exactly)**

1. Each group will be assigned either A through L or M through Z
2. **Leave room at the top to create a title for your poster**
3. On a large piece of construction paper draw a grid with 12 squares
4. Your poster needs a title at the top, center
5. Write all group members names in *the bottom right hand corner* of the poster
6. Make a list on the back of the poster saying what word or phrase will be represented in each box, for example A= apply yourself, R= review
7. On the grid, write your letters (A-L or M-Z) in the top left corner of each box

A	B	C	D
---	---	---	---

8. **Draw a picture in each box** that represents the word you have chosen for that letter
9. The words and pictures must relate to listening/study skills and be school appropriate
10. All group members must participate
11. When finished, hand in and clean up your supplies
