

NAME:

Points: /100

Directions: Use the following guide to complete your History of Textiles collage project. You will be assigned a specific time period and need to research the textiles of that time period. You will put together a collage that demonstrates examples of the textiles, as well as write a 1 page reflective summary over your research. You will attach your collage to a poster board with the summary and sources on the back.

Time Period: *circle the time period of your project*

1600s 1700s 1800s 1900s 1920s 1930s 1940s
 1950s 1960s 1970s 1980s 1990s 2000s

Collage: (45 pts)

- minimum of 11x14 poster board (5 pts)
- points for creativity in the display and decoration of your collage (10 pts)
- minimum of 10 pictures that show examples of textiles (prints and colors) from time period, making sure to keep the source from your research of why you think each picture is an example from this time period so you can explain in summary (20 pts)
- number all pictures (you can have several pictures to demonstrate one style numbered together) (10 pts)

Reflective Summary: (55 pts)

- keep track of and list all sources (magazines with edition and date, websites with dates, etc.), these may be listed on a separate paper but must be on the back of the collage (10 pts)
- summary must have an introduction to your time period and the textiles of that period (5 pts)
- summary must have a conclusion, draw a conclusion about the textiles of this era, do they still exist in some format, have they been modified/modernized, did they die out completely, etc. and why (supported by research findings) (10 pts)
- within body of summary refer to the numbered pictures on the front and explain how each example fits with the time period researched, this can be a list, but must be in complete sentences (20 pts)
- proof read your summary for spelling and grammar errors, 2 or less errors accepted (10 pts)
